

Orankiosk is a mobile juice bar perfect for open space events but also suitable for shopping malls. The very attractive orange shape catches the attention of the walking by customers willing to enjoy all the freshness of instantly made juices, smoothies, coffee, etc.

Made of strong fibres glass, it can be on a wheeled truck to be transported on road or simply with six small wheels for short moves.

It has enough space inside to accommodate two people and can be fitted with our Oranfresh® juicers, centrifugals, blenders, refrigerators, small coffee machine, cash till and other small appliances.

### Ideal for:

- public parks, kinder gardens
- seafront and beaches, camping
